

# Community Men's Shed

## MISSION

As an essential part of the Welfare Program of the Phillip Island RSL Sub-Branch the Men's Shed will provide a venue designed to promote any appropriate activity which encourages social interaction across all sectors of our community, irrespective of religion, ethnic origin, socio-economic status or gender of any who wish to participate, focusing on those who may be at risk.

## VISION

To develop and promote a Men's Shed which, through its activities will set a benchmark in excellence in serving and addressing many of the latent welfare needs that exist in our community.
